

Please join Helios Care in our second year of Dine Out For a Cause, a community-based fundraiser that is easy as pie! Helios Care is the hospice and palliative care organization for Otsego, Schoharie, Delaware, and now Herkimer and Chenango counties. Dine Out For a Cause aims to drive more customers to local restaurants while also increasing awareness of our organization. We are asking for your support!

Dine Out For a Cause was such a success last year, we have decided to extend this program into 2024. This is a low maintenance fundraiser for you. All you have to do is choose a specific date(s) to participate and donate an amount of money from the day(s) to Helios Care. The donation amount is decided entirely by you. Your donation makes a difference in the lives of our patients and families, no matter how much.

Once you have chosen a date to host, we will promote the event and your restaurant on our social media pages, website, and through press releases. A digital flier will be created and sent to your restaurant, to be shared with your supporters electronically or printed out. Even after the event, your restaurant will still be promoted by Helios Care through various outlets. Our goal for Dine Out For a Cause is to drive patrons to visit or try your restaurant and to increase awareness of our organization; a win-win-win for all!

Thank you for your consideration in supporting Helios Care and our communities.
